			<b>Total</b>	<b>2649</b>		<b>2385</b>			

Showing 1 to 2 of 2 entries

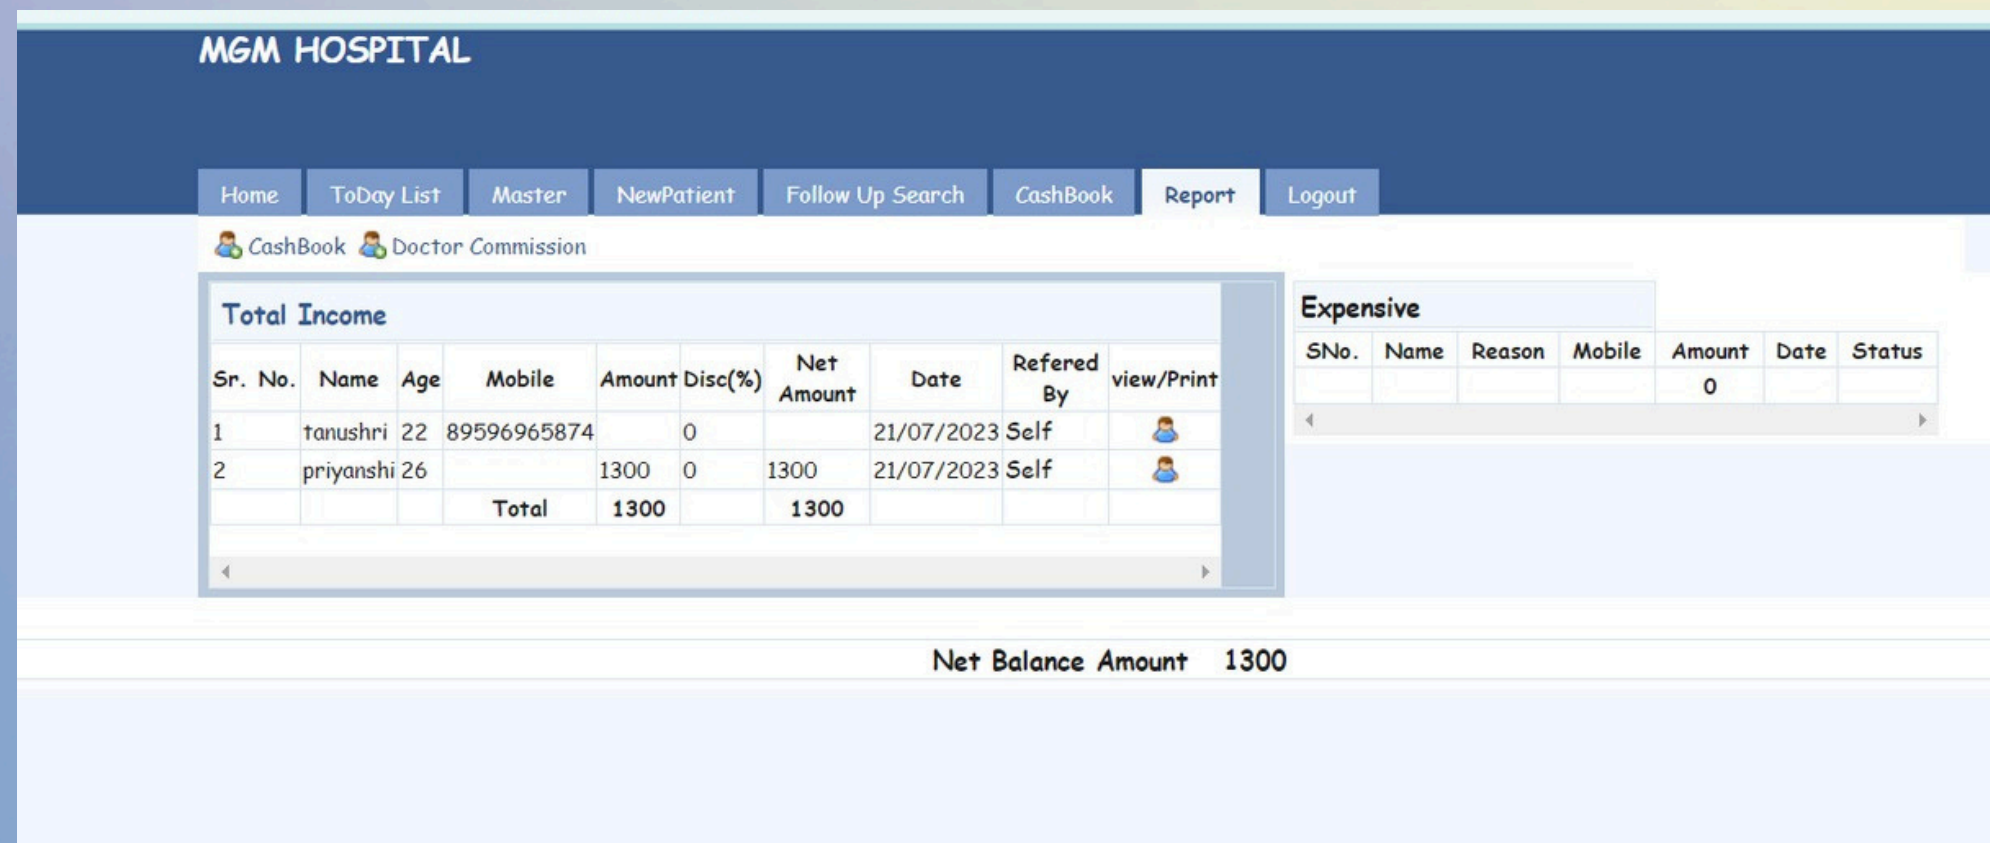

Previous 1 Next

## CASHBOOK

The cashbook records all cash-related transactions that occur within the hospital. This includes cash received from various sources, such as patient payments, insurance payments, donations, and any other cash receipts. It also includes cash payments made for expenses like salaries, medical supplies, utilities, and other operational costs.
